VULTURE Specialist Group

Get involved!

- Email your news and/or any feedback to me at vsg-cat-taras@outlook.com
- We get a lot of news, so can't include a lot of detail: we're looking for a sentence summarising the news item, and a link where interested people can go to learn more.
- We arrange the newsletter by country and region (and also species in Europe). We also include worldwide news at the end.
- For the roundup, this isn't just about peer-reviewed published articles – we welcome links to vultures in the local press, blogs, etc!
