What is *Vulture News*?

- ✓ Journal of the IUCN Vulture Specialist Group
- ✓ Published since 1979
- ✓ 88 volumes published
- ✓ Open-access

VULTURE
Specialist Group

What is *Vulture News*?

- ✓ Biannual journal
- ✓ International journal dedicated to vulture biology, research and conservation
- ✓ Global scope – all regions where vultures occur
- ✓ Publishes research, applied conservation, observations & news

VULTURE
Specialist Group

Editors of *Vulture News* through the years

- ✓ John Ledger
- ✓ Andre Boshoff
- ✓ Peter Mundy
- ✓ Alistair Robertson
- ✓ Duncan Butchart
- ✓ Simon E. Piper
- ✓ Mark Anderson
- ✓ Campbell Murn
- ✓ Luis Phipps
- ✓ Volen Arkumarev

What can be published?

- ✓ **Articles** - manuscripts that will be sent for peer review
- ✓ **Short Communications, Notes & Reports**
- ✓ **New observations, field reports, methods, opinions** - literature reviews, announcements and news. Flexible format

Who may submit?

- ✓ Researchers & conservation practitioners
- ✓ Field biologists, NGOs, birdwatchers
- ✓ Early-career scientists – especially welcome
- ✓ PhD thesis summaries are encouraged

VULTURE
Specialist Group

Reviewers & correspondents needed

- ✓ Reviewers are essential and highly appreciated
- We are looking to expand the reviewer's list
- ✓ Seeking international correspondents
- Act as regional contact points
- Help solicit local material
